OREGON STATE ARCHIVES

Records Retention Schedule

Edition: September 2018

Organizational Placement

Schedule number: 2018-0003

Agency: Department of Veterans' Affairs

Division: Administration

Unit: Director's Office

Program Description:

The Oregon Department of Veterans' Affairs (ODVA) is responsible for providing programs, service and benefits to veterans and their families residing in Oregon. The Department has been serving Oregon's military veterans since 1945. The Oregon legislature created the Department in response to a citizen mandate to provide for Soldiers, Sailors, Marines and Airmen returning from duty in World War II.

The nine-member Advisory Committee to the Director of the Oregon Department of Veterans' Affairs provides advice to the Director. Formed by statute in 1945, the ODVA Advisory Committee plays a role in the effective administration of the Department.

The Director serves as the head of the agency and chief advocate for veterans in the State of Oregon. The Director advises the Governor and elected officials on sensitive veterans' issues; organizes and coordinates the administration of all present and future federal and state laws pertaining to veterans and their dependents in Oregon; directs the development of policies and programs affecting veterans within the state, to provide services related to those programs, and to ensure compliance with all laws related to veterans within the state. The Director, through Statewide Veteran Services, acts as agent or attorney-in-fact for any veteran and the dependents or beneficiaries of any veteran relating to rights under any federal or state law. The Director through the Conservatorship program acts without bond as conservator of the estates of a beneficiary of the United States Department of Veterans Affairs (USDVA) when no other suitable person will so act. The Director oversees and directs the ORVET Home Loan Program. The Director or his representative appears before the major bond rating agencies to make presentations on the Department's financial status, cash flow, and the operation status of the veteran mortgage portfolio. The Director's Office also holds the records for the Governor's Advisory Committee to the Director of Veterans' Affairs.

Agency: Department of Veterans' Affairs

Division: Administration

Unit: Communications and Public Information

Program Description:

The Communications and Public Information unit disseminates information to the public about agency programs, events and operations through the development of the agency website and brochures. The unit serves as a representative for the Director in public forums and with the Legislative Assembly and advertises the Oregon Veterans' Home. In addition, it acts as the agency spokesperson on operational and policy issues crossing divisional lines within the Department. The unit also assists with advertising by the agency to broadcast information on agency services. The program contracts to buy advertising, initiates contacts at trade shows, does public speaking and works with the Legislative Assembly on special interest issues. It conducts research and customer service surveys. It also directs contacts to appropriate agency programs and interacts with county offices on local advertising.

Unit: Records and Information Management (RIM) Services

Program Description:

The Records and Information Management (RIM) Services unit administers the records and information management program for the agency. The unit manages and controls all agency records systems and records centers. It oversees all records maintenance, organization, appraisal and evaluation. It is responsible for records retention, disposition and retrieval for all media. The unit performs the preparation, coding, imaging, microfilming, processing, duplicating, indexing and retrieval of microform and online image cache records. The unit is also responsible for the storage, maintenance, retrieval, disposition and security of all agency records.

In addition the unit oversees forms development for the agency and creates documentation standards. The unit is also the official retention repository for the Contracts and Agreements Records, and the Procedure Change Memos Records. Finally, the unit also maintains the agency record copy of several records series.

Agency: Department of Veterans' Affairs

Division: Administration

Unit: Information Services

Program Description:

The Information Services unit oversees the information management systems of the agency. The unit provides support for programs, hardware, software and the LAN. It handles electronic communication through maintenance of the building cabling, voice mail system, outside communication lines and cell phones. The unit also provides system analysis, design, program creation, program implementation and maintenance for the agency's computer system. It builds applications, customizes commercial applications, coordinates with manufacturers and outside contractors and other state agencies and oversees internet operations. The unit runs the Help Desk and gives referrals for outside technical assistance. It also provides computer software training. Finally, the unit designs, maintains, documents and backs-up the agency databases.

The Year-end Processing unit oversees the distribution of payment coupons, statements of accounts, and the distribution of year-end reports. The unit reports to the IRS on home mortgage interest with Form 1098 substitutes. It is responsible for the development of the 1098 substitute forms (Annual Statements). Finally, it conducts coupon account testing to evaluate agency performance.

Agency: Department of Veterans' Affairs

Division: Administration

Unit: Policy

Program Description:

The Policy unit coordinates amendments and changes to Oregon Administrative Rules relating to the agency and conducts public hearings on those changes. The unit also conducts and coordinates hearings for the agency. Informal case hearings are conducted to resolve problems or grievances brought to the agency by loan holders or internal staff. The unit may request investigation of cases by agency representatives or initiate independent land surveys to resolve issues brought before it. If the hearing results are contested the unit coordinates case hearings before the Supreme Court, Court of Appeals and other courts. The unit may be in charge of any agency follow-up in enforcing judgments reached in the hearings.

Agency: Department of Veterans' Affairs

Division: Financial Services

Unit: Financial Services

Program Description:

The Financial Management unit oversees or prepares numerous cash flow and financial analyses of agency funds. The unit monitors the agency asset/liability position. It prepares the necessary bond documents for the issue of agency debt. The unit coordinates the agency's interaction with the bond counsel, financial advisors, underwriters, and outside CPA firms on debt issue. The unit also does arbitrage/rebate calculations and disbursements of bond funds.

The Internal Audit unit provides internal audit services, systems evaluations, recommendations for systematic changes and consultation with management. The activities of the unit are statewide and require direct contact with the majority of the agency management and staff. The unit may also contact management and staff members of the veterans' service organizations receiving agency funding. The unit coordinates and liaisons with outside authority on audits or reviews.

The Accounts Payable/Budget Officer unit pays accounts due for the agency. The unit oversees grant records and the distribution of funds by the Veterans' Loan Program, Veterans' Home Program and General Fund Programs. The unit also does budget preparation work.

The Cashiers unit provides payment processing support to major programs within the agency including the Veterans' Loan Program and Veterans' Home Program. The unit accepts and credits payments to the appropriate accounts.

The Financial Reporting unit ensures accuracy and compliance of rules, regulations, and standards in preparing financial statements and in tracking bond information. The unit supplies accounting information and reports to Financial Management unit and it directs the accurate and timely processing of loan account adjustments of mortgage loans. The unit also develops accounting procedures that comply with accounting rules, regulations, and principles.

The General Accounting unit is responsible for all accounting activities, including but not limited to debt service, properly classifying revenue and expenses, account reconciliations and disbursements. The unit also tracks the status of bonds issued and held by the agency as well as debt issued through commercial markets.

The Statistics unit receives financial statistics from units in the agency and creates reports, charts, and graphs in a variety of formats for management use.

Agency: Department of Veterans' Affairs

Division: Financial Services

Unit: Facility Services

Program Description

The Facilities/Construction Management unit manages and directs the processes and activities for construction of complex, high risk, construction projects for the Department. The projects are often high-risk that address the combined interest and mission of the Department, other Oregon government entities including state, county, federal, or municipal organizations and communities of interest. The unit is responsible for the background material and project records for the two Veterans' Homes.

The Facility Services unit is responsible for providing facilities management, lease and contract, fleet and asset management for the agency. The unit also oversees building security and safety, maintenance space planning and mail processing. Finally, it conducts the purchasing of services, supplies and equipment.

Organizational Placement

Schedule Number: 2018-0003

Agency: Department of Veterans' Affairs

Division: Financial Services

Unit: Home Loan Program

Program Description:

In 1945, Oregon citizens voted to create a Veterans' Home Loan Program to provide a benefit to World War II veterans returning home. This program is established in the Oregon Constitution in Article XI-A, and is identified as the Veterans' Home Loan Program (ORVET). It is historically a self-sufficient program that provides low-interest rate mortgages on single-family, owner-occupied homes to qualified veterans.

The Bankruptcy unit protects the interest of the agency on those loans and contracts where petitions of bankruptcy have been filed. The unit protects the interest of the agency by filing of (timely) claims and other forms; personal representation in U.S. Bankruptcy Court by staff; negotiation of equitable agreements to resolve a delinquency; and making recommendations for legal processes to remove accounts from the jurisdiction of the U.S. Bankruptcy Court.

The Collections unit is responsible for collection efforts to attempt to bring accounts current. The unit accomplishes this through the use of standard collection practices including setting up and monitoring ODVA forbearance programs. When all efforts fail, the files are presented to the Foreclosure Review Board. The unit is also responsible for the collection of deficiency judgments.

The Foreclosure unit works with the Attorney General and the courts to process judicial foreclosures. The unit processes non-judicial foreclosures for ODVA Trust Deeds, contract forfeitures for ODVA Contracts of Sale, mobile home repossessions for personal property mobile homes and deeds in lieu of foreclosure when appropriate. The unit is also responsible for processing Forcible Entry Detainer and Writs of Assistance to evict occupants from state-owned properties and for setting up deficiency judgments.

The Loan Servicing unit handles loan activities such as insurance loss, partial releases, water rights releases, timber releases, lot line adjustments and general servicing requests. The unit also administers the Servicemembers Civil Relief Act (SCRA) when eligible veterans are called to active duty.

The Property Management unit is responsible for the management, sale and tracking of state-owned properties. The unit also coordinates the marketing of properties after a sealed bid with Real Estate Brokers currently under contract. Finally, it oversees contractors for repair and maintenance of state-owned properties.

OREGON STATE ARCHIVES

Records Retention Schedule

Edition: September 2018

The Quality Assurance unit reviews closed and canceled loans and contracts, as well as state-owned property files, assumptions, paid in full accounts, private mortgage insurance cancellation accounts and cash sales. The unit determines if the loans and contracts were processed efficiently and effectively according to Fannie Mae and agency policies, procedures and guidelines.

The Satisfaction unit issues Satisfaction documents on all loans paid in full. This involves quality assurance functions to make certain the proper mortgages are paid off and the necessary forms are processed within the legal time frame. This unit also releases the agency's right to any mobile home or houseboat after a loan has been paid in full.

The Transfers unit processes all changes in the ownership of property secured by an ODVA loan or contract, both real and personal. The unit also processes all divorce decrees, name changes, death certificates and any other documents that could change the name of the responsible borrower on agency records. It coordinates all changes to agency records with other units.

The Appraisal Coordination unit supervises all appraisal and inspection activities regarding the service requirements on existing loan portfolios. The unit also reviews all requests for the agency's conventional loan origination program. It provides support to the Department and assures appraisal compliance.

The Insurance unit checks for and buys hazard insurance for veteran home loans. The unit disburses funds for forced placement insurance payment and escrow accounts. It also distributes claim payments.

The Loan Processing unit is responsible for processing loan applications for new purchases, qualifying non-veteran assumptions, state-owned property contracts, home improvement loans and cash sales. It is responsible for establishing the veterans' eligibility and verifying credit qualifications. The unit acts to minimize risk and promote contract underwriting that matches the loan. Records also include loan and property registers.

The Taxes unit is primarily responsible for maintaining and updating the Department's property taxes filed on its account portfolio. The unit also maintains mineral rights for agency property and it coordinates the payment of taxes with county offices and state agencies.

The Underwriting unit is responsible for approving all requests for credit on loan applications in accordance with the Federal National Mortgage Association (FNMA) guidelines. The unit is also responsible for the credit approvals granted for requests to purchase state-owned property and for non-veterans who apply for assumptions of existing mortgages. It notifies Loan Processing of the decision on a loan application and maintains a record of approved lenders.

Agency: Department of Veterans' Affairs

Division: Aging Veteran Services

Unit: Aging Veteran Services

Program Description:

The Aging Veteran Services unit is a new program area within the agency that was established to address the needs and concerns of our rapidly aging veteran demographic and their families. This unit strengthens collaboration with all state, federal and community partners to ensure our veterans, their families, and caregivers receive the best advocacy and services available as they age. This division is the front line for connecting all aging veteran related benefits and resources. Currently, the division incorporates the operational management of the two Oregon Veterans' Homes, the Conservatorship, the Aging Veteran Outreach, and the Veteran Volunteer programs.

The Aging Veteran Outreach program was established to work with state, federal, and local government agencies and non-profits around Oregon to educate staff about veteran benefits. This program will identify aging veterans who have not yet sought benefits and to assist those veterans in obtaining any resources needed. The program will aid in completing claims for USDVA benefits for veterans currently in either one of the Veterans' Homes or the Conservatorship programs.

The Veteran Volunteer program trains and coordinates volunteer activity around the state in order to better serve the Oregon veteran population at large. The program works with the general public to establish, train, and maintain the agency's volunteer program, as well as work with state, local, and federal agencies, and to develop a plan to identify Oregon veterans in need of assistance and train volunteers to provide services.

Records Retention Schedule

Edition: September 2018

Organizational Placement

Schedule Number: 2018-0003

Agency: Department of Veterans' Affairs

Division: Aging Veteran Services

Unit: Conservatorship

Program Description:

The Conservatorship and Representative Payee program was created by the 1965 Legislative Assembly to provide estate management and protection for those veterans and their survivors who have been deemed by a court of law incapable of managing their own finances. When veterans are deemed to be incompetent to manage their own finances by a county circuit court or the Federal VA, the court or the Federal VA may appoint ODVA to provide financial management services. The court may appoint ODVA to act as conservator, which includes managing all income and assets for the veteran. Federal VA may appoint ODVA to act as a Representative Payee for a veteran, in which the Agency acts in a limited capacity to pay the bills and act as an advocate for these veterans.

Records Retention Schedule

Edition: September 2018

Organizational Placement

Schedule Number: 2018-0003

Agency: Department of Veterans' Affairs

Division: Aging Veteran Services

Unit: Oregon Veterans' Homes

Program Description:

The Oregon Veterans' Homes units provide veterans and families with access to high-quality nursing home care at affordable rates as a state and federal benefit for veterans. Residents receive 24-hour, long-term skilled nursing, Alzheimer's and other memory-related, and rehabilitative care by a nursing staff whose skills and understanding meet the unique and special needs of veterans. The nursing staff is complemented by physical, occupational, and speech therapists that provide specific physician-ordered services to help residents meet their maximum rehabilitative potential.

Oregon law authorized the construction of the first Oregon Veterans' Home in 1993. It is located in The Dalles, in Wasco County, and opened in November 1997. This first Veterans' Home is a 151-bed, long-term care facility offering skilled nursing home and Alzheimer's disease care. The operation of the facility is contracted with an independent contractor. The unit oversees the development and design of the structure and the contractor runs the volunteer program.

The construction of the second Oregon Veterans' Home was authorized by Oregon law in 1995. In 2010, the Director announced the agency would build the second Oregon Veterans' Home in Lebanon, in Linn County. The Edward C. Allworth Veterans' Home is located in Lebanon and opened on September 20, 2014. The Campus provides space for 154 individuals who require long-term skilled nursing care as well as rehabilitation services in a true home-like setting with routine activities and social interaction that decreases social isolation. Patients must qualify for admittance to the Veterans' Homes according to the state and federal law eligibility requirements in effect at the time of admittance.

The Department provides oversight of the management of the facility. Facility Services is responsible for the background material and project records for the two Veterans' Homes.

Organizational Placement

Schedule Number: 2018-0003

Agency: Department of Veterans' Affairs

Division: Statewide Veteran Services

Unit: Statewide Veteran Services

Program Description:

The Statewide Veteran Services Program is responsible for providing advocacy and benefits to veterans, their dependents, and survivors. The program provides benefits counseling, claims and appellate representation, certification and training for counties and national service organizations, emergency financial assistance, and other service delivery partnerships across the state. The division is the front line for all veteran benefits, ensuring that veterans obtain all the benefits to which they are entitled as a result of their military service. With its County Veteran Service Officer and National Service Officer partners, ODVA provides claims advocacy and representation to Oregon's veterans. The unit is also responsible for the agency's compliance with Title II, Subtitle F of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and for compliance with all federal, state and local laws, regulations, executive orders and ordinances pertaining to ODVA business privacy practices. The unit also disburses state grants to qualifying veterans' organizations and counties under ORS 406.310. It oversees various ad hoc funds and bequests under ORS 406.050.

The Statewide Veteran Service office in Portland submits all claims for CVSOs and state VSOs to the Federal VA. This office inputs, catalogs, provides quality assurance and liaisons with the Federal VA. This office also represents veterans on county and ODVA claims during various stages of appeals.

The Statewide Veteran Service office in Salem presently handles direct claims for veterans for sensitive claims on a statewide basis. The office also works on a few statewide special advocacy veteran issues in a limited capacity. These statewide issues include veterans in justice involved situations (corrections, veteran's courts), LGBTQ and women veterans issues.

Statewide Veteran Services is responsible for the training, certification, and accreditation of all county and state veteran service officers.

The Emergency Financial Assistance Program offers a one-time grant to veterans who have emergency needs.
