

RECORDED
JAPANESE EVACUEE REGULATIONS
5-11 S.M.A.G.W

A meeting was called at the U. S. Employment Office, Ontario, Oregon, on September 4, 1942, at 8:00 P. M., for the purpose of adopting uniform regulations for all Japanese Evacuees in the Counties of Washington, Payette, Gem and Canyon, all in the State of Idaho, and Malheur County, Oregon. There were present at this meeting representatives of the War Relocation Board, U. S. Employment Service, Farm Security and Law Enforcement Officers from each of the above named Counties. It was agreed at this meeting that the regulations covering the Japanese Evacuees, heretofore imposed in Malheur County, Oregon, be adopted. Which regulations are as follows:

1. All Evacuees shall be subject to a curfew during the hours of 8:00 P. M. to 6:00 A. M. excepting for two days each week. These two days may be such days as are set by the Sheriff of the County, and on these days the hours shall be from 11:00 P. M. to 6:00 A. M. In all cases Saturday Night curfew shall be 8:00 P. M. to 6:00 A. M.
2. There shall be no visitors allowed to enter Evacuees' camps after 8:00 P. M. and all visitors shall be out of the camp not later than 10:00 P. M. except those nights when curfew extends to 11:00 P. M., on which nights there shall be no visiting after 11:00 P. M.
3. Evacuees owning private cars and trucks are prohibited from using same for pleasure; but such cars and trucks, if the necessity arises, may be used for the transportation of workers to and from work or for the transportation of crops and produce, under special permit.
4. In cases where the employment requires that the evacuee be out during curfew hours, special permits may be granted by the Employment Service or someone in authority. Such permits must be carried by the Evacuee at all times.
5. Any farmer employing and quartering evacuees on his farm, is responsible for such evacuees observing the above curfew hours and regulations. He is also to see that they are accompanied on trips to town.
6. The Employment Service of each County is to issue an identification certificate to each Evacuee, bearing his number, description, etc.
7. The above regulations apply to all Japanese Evacuees, whether they are living in the Farm Security camps or are quartered on individual farms.

It was also suggested that the local Japanese in the various Counties be contacted and asked to co-operate with the above curfew regulations as fully as possible.
