

The Secretary of State's role in the service of process is ministerial, and does not necessarily mean you have satisfied all of the law's requirements. Under some circumstances, such as domestic general partnerships, service with the Secretary may not be an option. You or your attorney should review the relevant business entity and ORCP statutes to determine proper service before filing with our office.

In accordance with Oregon Revised Statute 192.410-192.490, all information on this form is publicly available, including addresses. We must release this information to all parties upon request.
