If for any reason you feel that the ballot arrangement as set forth will cause you undue administrative or printing problems, please contact this office for further advice.

NUMBERING SYSTEM

1. Candidates – Automated Tally Systems: Unique candidate numbers are not required.
2. Measures – The number assigned to each local (county, city and district) measure must be preceded by your unique county prefix number (i.e., Baker County is number 1, Benton is number 2, and so forth, numbered consecutively in alphabetical order until Yamhill County, which is number 36).

If a district or city is located in more than one county, the county elections officer who is the filing officer shall immediately certify the district or city measure and number to the county clerk of any other county in which the district or city is located. The same measure number shall be used in all counties in which the election is conducted for that measure.

RANDOM ORDERING OF CANDIDATE NAMES

The names of the candidates shall be ordered as provided for in ORS 254.155. On September 1, 2022, this office sent a memo to all County Election Officials giving the random ordering of the letters of the alphabet for candidates on the ballot for the November 8, 2022, General Election. The Ballot Statement for state candidates has been prepared by the Secretary of State using the random sequence.

The random ordering of the letters of the alphabet for which candidate's names will be placed on the ballot for the November 8, 2022, General Election is as follows:

1. Y	6. C	11. S	16. W	21. X	26. D
2. F	7. M	12. P	17. N	22. J	
3. O	8. V	13. Q	18. A	23. L	
4. G	9. R	14. E	19. U	24. T	
5. Z	10. K	15. B	20. I	25. H	

For candidates whose last names begin with the same letter(s) of the alphabet, or whose names are identical etc., follow the procedure contained in OAR 165-010-0090.

ORS 254.115(3)(c) requires if two or more candidates for the same office have the same or similar surnames, the location of their places of residence shall be printed with their names to distinguish one from another.

CANDIDATE NAMES

The names of candidates shall be printed on the official ballot as indicated in the Ballot Statement. Office titles, candidate names and political parties must be printed **in bold face, mixed case type** rather than in all upper case, for the purpose of better readability. Mixed case means the first letters of these names shall be upper case with the rest lower case (unless within the name an upper case letter is specified by the candidate, such as "McVan").

Additionally, **candidate names must not contain any periods**, even after a Jr or Sr. For example, a candidate name should be formatted as Jonathan J Smith, Jr - with **no periods** (commas are allowable).

ORS 249.031 allows for a candidate to use a nickname in parentheses. ORS 254.145(2) provides that no title or designation may be included in the candidate's name (such as Dr, Mr, PhD, Senior Vice President, etc.). Designations such as Jr, Sr, III, IV, etc. are allowable if it is actually part of the name by which the candidate is commonly known.

Note: If no candidate has filed for an office, the ballot must include "No Candidate Filed."

MULTIPLE PARTY NOMINATIONS

Candidates may be nominated by multiple political parties and have up to three parties listed after their name as indicated in the Ballot Statement. If the candidate was nominated by the party they are a member of, that party will be listed first, followed by two or fewer additional parties in alphabetical order or as specified by the candidate. If individual electors or an assembly of electors nominate a nonaffiliated candidate, "nonaffiliated" will be listed first, followed by two or fewer additional parties in alphabetical order or as specified by the candidate.

JUDICIAL CANDIDATES "INCUMBENT" DESIGNATION

The information for state candidates for Court of Appeals and Circuit Court positions shall include a designation of "Incumbent" for each candidate who is the regularly elected or appointed judge of the court to which the candidate seeks election. The Ballot Statement provides this designation.

Please note that justice of the peace, county judges and municipal court candidates do not have the "incumbent" designation.

COUNTY NONPARTISAN CANDIDATES

Review ORS 249.091 to determine if county nonpartisan candidates (sheriff, county treasurer or county clerk, or candidates to fill a vacancy in a nonpartisan office) are required to be listed on the general election ballot.

LINES FOR CANDIDATE WRITE-IN VOTES

ORS 254.145(3) provides for the write-in of names in the appropriate place on the ballot. Allow one blank line for each position to be filled. Example: "Vote for Three." In this case, you will provide three blank lines following the list of candidates for that office. Blank lines shall not be numbered.

Offices that have been certified as "No Candidate Filed" must still appear on the ballot with the appropriate number of write-in lines. "No Candidate Filed" may be shown on what would have been the candidate name line.

BALLOT MEASURE FORMATTING

State ballot measures must be formatted as shown on the attached Ballot Measure Statement. The state ballot measure headers and the ballot title captions must be printed in **bold face, mixed case type** rather than in all upper case, for the purpose of better readability. Mixed case means the first letters of a phrase or sentence and only certain words within a sentence may be upper case with the rest lower case.

This directive applies to state ballot measures and does not require you to use the same formatting for local measures. However, we encourage consistent formatting, as this would ensure better readability for the voters.

If you have any questions, please contact our office.

Measure Ballot Statement
2022 General Election

September 8, 2022

**Referred to the People by the
Legislative Assembly**

Measure 111

Amends Constitution: State must ensure affordable healthcare access, balanced against requirement to fund schools, other essential services

Result of “Yes” Vote: “Yes” vote requires state to ensure affordable healthcare access. State must balance healthcare funding against funding for schools, other essential services; courts must respect balance. **Yes**

Result of “No” Vote: “No” vote retains current law. The constitution does not require the state to ensure access to affordable health care; state provides some healthcare access. **No**

Summary: Amends Constitution. Current state law outlines the general requirements for health insurance policies and provides health care for low income and disabled residents who meet eligibility requirements. Amends the Oregon Constitution to establish health care as a fundamental right; obligates the state to provide Oregon residents “access to cost-effective, clinically appropriate and affordable health care.” Amendment requires the state to balance that obligation against the public interest in funding public schools and other essential public services. If the state is sued to enforce the amendment, the court may not order a remedy that interferes with the state’s requirement to balance healthcare funding against funding for public schools and other essential public services.

Estimate of Financial Impact: The financial impact to state and local expenditure and revenue is indeterminate. The measure does not require additional state government revenues or expenditures. The impact of the measure will depend on future legislative action to establish additional health benefits and determine how they will be paid for.

Measure 112

Amends Constitution: Removes language allowing slavery and involuntary servitude as punishment for crime

Result of “Yes” Vote: “Yes” vote amends constitution to remove language allowing slavery and involuntary servitude as punishment for crime; allows programs to be ordered as part of sentencing. **Yes**

Result of “No” Vote: “No” vote retains current language that generally prohibits slavery and involuntary servitude but allows slavery and involuntary servitude as punishment for crime. **No**

Summary: Amends Constitution. Article I, section 34 of the Oregon Constitution currently prohibits slavery and involuntary servitude but allows an exception to that prohibition as a punishment for crime. Measure removes language that allows slavery and involuntary servitude as a punishment for crime. Under measure, a court or probation or parole agency is allowed to order a person convicted of a crime to engage in education, counseling, treatment, community service, or other alternatives to incarceration, as part of sentencing for the crime. Ordered programs must be in line with programs that historically, or in the future, have been in place to provide for accountability, reformation, protection of society, or rehabilitation. Effect on current constitutional provisions requiring inmate work programs unclear.

Estimate of Financial Impact: The financial impact to state and local expenditures and revenues is indeterminate. The measure removes language allowing slavery and involuntary servitude as a punishment for a crime. The measure does not require additional state government revenues or expenditures however the impact of the measure will depend on potential legal action or changes to inmate work programs.

Measure 113

Amends Constitution: Legislators with ten unexcused absences from floor sessions disqualified from holding next term of office

Result of “Yes” Vote: “Yes” vote disqualifies legislators with ten unexcused absences from legislative floor sessions from holding office as legislator for term following current term of office. **Yes**

Result of “No” Vote: “No” vote retains existing law. Absent legislators may be punished by legislative chamber (potentially expelled by supermajority); present legislators have legal authority to compel attendance. **No**

Summary: Amends Oregon Constitution to add language prescribing consequences for unexcused absences by legislators from floor sessions. Currently, Senators and Representatives may be “punished” or, by the concurrence of two-thirds of the Senator’s or Representative’s chamber, “expelled” for “disorderly behavior,” but law does not define “disorderly behavior.” Additionally, absent legislators may be “compelled” to attend legislative floor sessions, but current law does not specify consequences for unexcused absences. Measure specifies that “disorderly behavior” includes legislator’s failure to attend ten or more legislative floor sessions during a regular or special legislative session without permission or excuse. Under measure, legislator who engages in “disorderly behavior” through unexcused absences is disqualified from serving as a Senator or Representative for the term following the end of the legislator’s current term.

Estimate of Financial Impact: This measure will have no financial effect on either state or local government expenditures or revenues.

Measure 114

Requires permit to acquire firearms; police maintain permit/firearm database; criminally prohibits certain ammunition magazines

Result of “Yes” Vote: “Yes” vote requires background check, safety training, fee for permit to acquire firearms; state police maintain new permit/ firearm database; criminally prohibits certain magazines; exceptions. **Yes**

Result of “No” Vote: “No” vote retains current law: seller/ transferor must request criminal background check; permit, safety course not required; no magazine capacity restrictions. **No**

Summary: Oregon law currently allows persons over age 18 to acquire firearms (federal law requires age 21 for some handgun purchases), seller/ transferor must request criminal background check. Measure requires permit from local law enforcement to acquire firearm; person must pay fee, submit photo ID, fingerprints, complete approved safety training, pass criminal background check, not be prohibited from possessing firearms; officer may deny permit to person believed danger to self or others. Permit issued within 30 days, valid 5 years. Permit denials appealable. Must present permit, pass background check to acquire firearm. State Police creates/ maintains permit/ firearm database. Magazines over 10 rounds, or readily modifiable to exceed 10 rounds, prohibited; exception for current owners /inheritors. Exceptions for law enforcement, armed forces. Criminal penalties. Other provisions.

Estimate of Financial Impact: The intent of the measure is for revenues from permits to cover administrative costs. Cost estimates related to the measure were received from state and local government. However, there is uncertainty in the assumptions regarding the estimates made, including the projections of the number of permit applications, the revenue associated with those permits and other related costs. There is also uncertainty in potential cost savings to state and local government expenditures due to an expected decrease in firearm related injuries and death. Therefore, the financial impact of Measure 114 for state and local governments is indeterminate.
