CERTIFICATE OF APPROVAL

Election Systems & Software Express RunOff 1.0.0.0 Voting System

Election Systems and Software has presented their Express RunOff version 1.0.0.0 for use in administering ranked choice voting as required by the Benton County Charter. Election Systems and Software has requested approval of this system for use in Oregon elections.

The Secretary of State partnered with Benton, Washington, Marion, Linn, Yamhill, Clackamas and Multnomah counties. After reviewing the certification application and testing the system in the Benton County Courthouse on July 24, 2018, we have determined that the system complies with the statutory requirements of Oregon Revised Statutes 246.550 and 246.560, specifically ORS 246.550(4) and Oregon Administrative Rule 165-007-0350.

Accordingly, ES&S Express RunOff version 1.0.0.0, is certified for sale, lease or use in all elections in Oregon which have the same legal requirements as contained in the Benton County Charter relative to ranked choice voting. The system must be used in compliance with the provisions of applicable Oregon statutes and all Secretary of State, Election Division rules and directives.

Dated this 7th day of August 2018.
